§ 3.05 – FAILURE TO RENDER THE WAVE

Somebody stopped. Somebody let this vehicle in. And this vehicle proceeded without so much as a hand raised in acknowledgment. The wave costs nothing. The wave is the entire social contract of driving. Render the wave.

§ 3.06 – PREMATURE HORN DEPLOYMENT

The signal turned green four-tenths of a second ago and this vehicle is already leaning on the horn. The horn is a safety device. It is not a stopwatch, a mood, or a way to tell an entire block that you have somewhere to be.
